#### INDEPENDENT AUDITOR'S REPORT

To the Members of ESDS Software Solution Private Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of ESDS Software Solution Private Limited (hereinafter referred to as "the Holding Company"), and its subsidiary (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

## Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for qualified audit opinion on the consolidated financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled company as at March 31, 2018, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

## Other Matter

We did not audit the financial statements of subsidiaries, whose financial statements reflect total assets of Rs. 12,61,34,600 as at March 31, 2018 and total revenues of Rs. 11,34,05,849 and net cash flows amounting to Rs (1,14,93,993) for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by the other auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the report of other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) In our opinion, there are no matters that may have an adverse effect on the functioning of the Company.

(f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

(g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group– Refer Note 29 to the consolidated financial statements.

ii. The Group does not have any material foreseeable losses on long-term contracts including derivative contracts.

iii. There were no amounts which were required to be transferred to Investor Education and Protection Fund by Holding Company and its subsidiary companies incorporated in India.

## Textual information (2)

### Disclosure of accounting policies, change in accounting policies and changes in estimates explanatory [Text Block]

#### Company overview

ESDS Software Solution Private Limited (“ESDS” or the “Company”) was incorporated on 18 August 2005. ESDS is engaged in providing IT enabled services (web hosting services, technical support services, data center setup and consulting services) and supply of IT enabled products closely connected with the rendering of the IT enabled services.

The registered office and business operations of the Company are in Nashik, Maharashtra (India).

#### 2 Significant accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on an accrual basis in compliance with all material aspects of the Accounting Standards (AS) notified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014. The accounting policies adopted in the preparation of financial statements have been consistently applied by the Company and are consistent with those used in previous year.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle, and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of business and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

##### 2.2 Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amount of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

##### 2.3 Fixed assets and depreciation

###### Tangible fixed assets

Tangible fixed assets are carried at acquisition cost less accumulated depreciation. The cost of an item of tangible fixed asset comprises its purchase price including inward freight, duties, taxes, relevant foreign exchange fluctuation differences and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

When parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items (major components) of fixed asset.

Subsequent expenditure related to an item of tangible fixed asset is added to its book value only if it increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Pursuant to applicability of the Companies act, 2013, the Company has applied useful lives prescribed in schedule II to the Companies Act, 2013 which in many cases, are different from lives prescribed under the erstwhile Schedule XIV of the Companies Act, 1956. Also, based on management’s evaluation, useful life prescribed in Schedule II of Companies Act, 2013 represent actual life of fixed assets. The Company uses straight line value method and follow following useful life of fixed assets

Category of asset

Useful life

Buildings	60
Computers and Servers	3/6
Office equipment	5
Electrical equipment	5
Furniture and fittings	10
Vehicles	8

Depreciation is provided on pro-rata basis i.e. from the date on which asset is ready to use.

Acquired assets consisting of leasehold land are recorded at acquisition cost and amortised on straight-line basis based over the lease term of 99 years.

Intangible fixed assets

Internally generated intangible assets

With regard to internally generated intangible assets:

- a) Expenditures on research activities, undertaken with the prospect of gaining new scientific or technical knowledge and understanding, are recognised in the Statement of Profit and Loss as incurred.
- b) Development activities involve a plan or design for the production of new or substantially improved products or processes. Development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalised includes the cost of materials, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use, and directly attributable borrowing costs. Other development expenditure is recognised in Statement of Profit and Loss as incurred.

Intangible assets are amortised in Statement of Profit and Loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset. Accordingly, at present, these are being amortised on straight line basis over a period of five years.

Amortization method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortisation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortisation method is changed to reflect the changed pattern.

An intangible asset is derecognized on disposal or when no future economic benefits are expected from its use and disposal.

Losses arising from retirement and gains or losses arising from disposal of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

## 2.4 Impairment

In accordance with Accounting Standard 28 – Impairment of Assets (AS 28), the carrying amounts of the Company's assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indications exist, the assets' recoverable amount is estimated, as the higher of the net selling price and the value in use. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to a maximum of depreciable historical cost.

## 2.5 Leases

Leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. Assets taken on finance lease are initially capitalised at fair value of the asset or present value of minimum lease payments at the inception of the lease, whichever is lower. Lease payments are apportioned between the finance charge and reduction of the outstanding liability. The finance charge is allocated to periods during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Operating lease rentals are recognised over the period of the lease in the Statement of Profit and Loss on a straight line basis.

## 2.6 Investments

Long-term investments are valued at cost. Provision is made for diminution, other than temporary, in the value of long-term investments.

## 2.7 Employee benefits

### a) Short term employee benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognised in the period in which the employee renders the related service. These benefits include compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the year.

### b) Post-employment benefits (defined benefit plans)

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on valuation by an independent actuary as at the Balance Sheet date (Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yield of Government securities as at the Balance Sheet date.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

c) Post employment benefits (defined contribution plans)

Contribution to the provident fund and employee state insurance scheme which is a defined contribution scheme is recognised as an expense in the Statement of Profit and Loss in the period in which the contribution is due.

## 2.8 Revenue recognition

a) Service income

Revenue from web hosting services, technical support services and consulting services is recognised on an accrual basis as and when the service is performed, as per the terms of contract, and no significant uncertainty exists regarding the amount of consideration that will be derived from rendering the service.

b) Turnkey contracts (for data centre setup)

Revenue from turnkey contracts (for data centre setup), which are generally time bound fixed price contracts, is recognised over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognised when probable.

c) Sale of goods

Revenue from sale of goods in the course of ordinary activities is recognised when property in the goods or all significant risks and rewards of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection.

The amount recognised as revenue is exclusive of sales tax, value added tax and service tax, Goods and service tax and is net of discounts.

d) Interest income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

## 2.9 Foreign exchange transactions

Foreign exchange transactions are recorded using the rate of exchange on the date of the respective transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of Profit and Loss for the year.

Exchange differences arising on payment of liabilities for purchase of fixed assets from outside India and year end conversion of such liabilities are charged or credited to the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies as at the Balance Sheet date are translated at the closing exchange rates on that date and the resultant exchange differences are recognised in the Statement of Profit and Loss.

## 2.10 Provisions

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. The provisions are measured on an undiscounted basis.

## 2.11 Contingent liabilities and contingent assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

## 2.12 Income Taxes

Income-tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Timing differences, which reverse within the tax holiday period, do not result in tax consequence and therefore no deferred taxes are recognised in respect of the same. For this purpose, timing differences, which originate first, are considered to reverse first.

Minimum Alternate Tax (MAT) under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act, in respect of MAT paid is recognised as asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

## 2.13 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to each class equity shareholders for the period by the weighted average number of equity shares outstanding during the year.

The diluted earnings per share is computed by dividing the net profit attributable to each class of equity shareholders for the year by the weighted average number of equity and equivalent potential dilutive equity shares outstanding during the year, except where the result would be anti dilutive.

## 2.14 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

## Textual information (3)

### Disclosure of employee benefits explanatory [Text Block]

#### 2.7 Employee benefits

##### a) Short term employee benefits

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognised in the period in which the employee renders the related service. These benefits include compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the year.

##### b) Post-employment benefits (defined benefit plans)

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such defined benefit plan is determined based on valuation by an independent actuary as at the Balance Sheet date (Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yield of Government securities as at the Balance Sheet date.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

##### c) Post employment benefits (defined contribution plans)

Contribution to the provident fund and employee state insurance scheme which is a defined contribution scheme is recognised as an expense in the Statement of Profit and Loss in the period in which the contribution is due.

## Textual information (4)

### Disclosure of revenue explanatory [Text Block]

#### 2.8 Revenue recognition

##### a) Service income

Revenue from web hosting services, technical support services and consulting services is recognised on an accrual basis as and when the service is performed, as per the terms of contract, and no significant uncertainty exists regarding the amount of consideration that will be derived from rendering the service.

##### b) Turnkey contracts (for data centre setup)

Revenue from turnkey contracts (for data centre setup), which are generally time bound fixed price contracts, is recognised over the life of the contract using the proportionate completion method, with contract costs determining the degree of completion. Foreseeable losses on such contracts are recognised when probable.

##### c) Sale of goods

Revenue from sale of goods in the course of ordinary activities is recognised when property in the goods or all significant risks and rewards of their ownership are transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection.

The amount recognised as revenue is exclusive of sales tax, value added tax and service tax, Goods and service tax and is net of discounts.

d) **Interest income**

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.
